

Murramarang Community Garden  
*Growing Food Together*

## **TREASURER'S REPORT COMMITTEE MEETING 24 MAY 14**

Our very successful Easter Fair netted \$2675.55 thanks to the continued support of our committed membership. Copy attached.

The recent visit by the Ulladulla Garden Club was also a successful fundraising venture. The lunch raised \$620 while the sale of plants raised \$39 and the sale of preserves which were left from the Easter Fair raised \$92, making a total of \$751. Expenses for the day were \$111.62 making a net amount of \$639.38.

An excellent result thanks to Helen Nelson, Marie O'Connell and Jocelyn Sussman whose garden the Garden Club visited.

Unfortunately the additional gazebo purchased was faulty and needed to be returned. The refund amount of \$80 was banked.

We currently have 64 financial members. Some plots and memberships are still outstanding.

Our current balance at the bank is \$10,256.21 with an outstanding cheque of \$111.62 making a net balance of \$10,144.59.
