

Directions to Murramarang Community Garden

Travelling south from *Ulladulla* on the Princes Highway, turn left at *Termeil* in the direction of *Bawley Point* and *Kioloa*, or turn right at *Termeil* if travelling north from *Batemans Bay*.

After 5 Km you will come to a T-junction at *Bawley Point*. Turn right at the T-junction and drive through *Bawley Point* along *Murramarang Road* for approximately 6 Km.

About 500 metres on the right before the township of *Kioloa* you will see the entrance to the *Australian National University Coastal Campus*.

Turn right at the entrance to ANU. You will see two gates. Entry to the MCG is by the smaller gate to the right facing north.

Entry to the MCG garden is restricted to MCG members or by invitation. However, public access is free during our Saturday working bee between 9am and 12am.

Drive down the track past the water tanks on the left. You will see the MCG 300 metres across the field as a fenced enclosure surrounded by a windbreak and fronted by a small car park.
