3. Business arising from Minutes, General Meeting 15 August 2015

Moved that Minutes be accepted: Sybille Davidson; Seconded; Jocelyn Sussman.

4. Reports

- **President's report:** Ewen Sussman – Ewen referred to his report, delivered at the AGM earlier today.
- **Finance:** Doug Howarth referred to his financial summary delivered at the AGM and will provide a written report to be posted on the MCG website.
- **Garden Managers Report:** Jocelyn and Harley's report is posted on the MCG website.

5. General Business

- Sybille reported the presence of ticks at the garden and suggested a tube of LYCLEAR be added to our First Aid box. Discussion ensued about the First Aid box with a suggestion that it now be located in the communal recreation area for easy access since the shed is now locked for security reasons. Marie O'Connell suggested that the box be checked regularly and Helen Nelson agreed to undertake this task. The meeting agreed unanimously that this suggestion be implemented.
- The Bee Hive, donated by Col Keating, was cleaned by Col on Friday and members tasted our first honey. Members were urged to be careful in the area surrounding the hive.
- Harley noted that MCG would participate in the next Murramarang Market on 2 October (long weekend).
- Steve and his staff at ANU KCC were thanked for their many contributions to MCG, in particular the installation of a new irrigation pipe from the dam to the communal area of the garden – this will allow for easy irrigation of the orchards and crops in this area.

The meeting closed at 11.00am.
