**TREASURER'S REPORT**  
Year Ending 30 June 2012

It's been another successful year for the garden. At the end of the financial year we had 71 financial members, 57 sold garden beds and a bank balance of \$6975.76.

Thanks to the hard work of Judith our Secretary we were successful in receiving grants to the total of \$3500 - \$1000 from The Milton/Ulladulla Ex Servos and \$500 from the Mollymook Golf Club. These were part of the Shoalhaven City Council Club Grants Scheme. We also received \$2000 from the Shoalhaven City Council as part of the Community Grants programme. The Veolia Mulwarree Trust grant was acquitted with the balance of \$1100 paid to the MCG.

The proceeds of the Easter fair provided another boost to our bank balance thanks to the hard work of all concerned. The net profit was \$2620.98. The sale of vegetables etc at the Kioloa Fair also added \$236 to our bank account.

Our biggest expenditure during the year was again materials for the construction of new beds and soil as well as irrigation fittings and garden hoses. Plants for the citrus orchard totaled \$440.

The financial statements and cash book are available should anyone wish to examine them.
